

Peace Neighborhood Center Volunteer Tutoring Information

Peace Neighborhood Center is a non-profit organization whose mission is to provide programs for children, families, and individuals who are affected by social and economic problems.

We are currently recruiting volunteer tutors to help within afterschool programs. Volunteers assist with homework & help build academic skills.

Our MINIMUM commitment for tutoring is once a week during the WINTER (January-April), and/or SPRING (April-May) terms. We expect that tutors miss no more than 1 session within the term.

Volunteers must be in 9th grade or older.
